

# DSIT 2019

## 2019 2nd International Conference on Data Science and Information Technology

Seoul, Korea      July 19-21, 2019

Ruixia Li,  
West Anhui University, China  
Paper ID: DSIT-D1006

Dear Ruixia Li,

We are glad to tell you that 2019 2nd International Conference on Data Science and Information Technology (DSIT 2019) will be held from July 18-22, 2019 in Seoul, Korea, we cordially invite you to attend the Conference and give a presentation titled: *A Multi-level Access Control Scheme Based on Attribute Encryption for Big Data*, to share your ideas with other researchers, engineers, developers and practitioners from academia and industry working in all major areas and interdisciplinary areas of Data Science and Information Technology.

Thank you for your support to the conference and we look forward to seeing you in Seoul. If you require further information on the conference, feel free to contact us.

Yours sincerely,

*Shirley. W (Conference Director)*
